

15-16 September

First conference of Research Software Engineers

Registration open now!
www.rse.ac.uk/conf2016

The first conference for the people who work in research and write code, not papers. Taking place 15-16 September 2016, at the Museum of Science and Industry, Manchester. Take part in talks and workshops about the latest tools, technology and methodologies being used to advance research across all domains, and meet the people who make these advances possible.
